

Bottle Cage Riser

1
The pack contains, 6 x Washers, 6 x 16mm Bolts, 2 x 12mm Bolts, 2 x Nuts and the bottle cage riser.

4
Using the other 16mm bolt and washer fix the riser mount to the cruciform and tighten both 16mm bolts.

2
Using a 12mm bolt, nut and washer, bolt the bottom of your bottle cage to the tab on the longest side of the bottle cage riser. Tighten the bolts so that the cage can rotate under pressure but not freely.

5
Finally rotate the bottle cage and connect it to the second tab using the 12mm bolt and 2 washers.

3
Using a 16mm bolt and washer connect the riser mount to the cruciform with the tabs facing forwards & down. Leave this bolt slightly loose.
